Supplementary Materials For Lessons

Social Entrepreneurship **Lesson #4: Communities Matter**

STUDENT HANDOUT **Classroom Asset Interviews**

ABOUT YOU

1. What talents and skills do you have? Musical training? Sports? Writing? Spelling? Hobbies? List everything you can think of. You do not have to be an expert.
2. Have you ever taken care of someone, such as babysitting for a younger sibling? Cared for special pets? Describe your “caring” skills, and any related experience.
3. Can you cook? Have you ever organized a meal for a large group? Anything else related to food or cooking that you do well?
4. Can you use carpentry tools? Gardening tools? Fix a bicycle?
5. Can you use a computer well? Do you have any special technical skills? Have you ever built a Web page? Made a video?

ABOUT YOUR RELATIONSHIPS

6. What job skills do your family members have? Do any family member work in this community? Do they own a local businesses? What skills or talents do they use during the work day?

7. What special skills and talents do any of your family members have—Artist? Musician? Organizer? Soccer referee? Inventor?

8. Do you belong to any organizations that connect you to other people? (For example: youth groups, church, sports organizations, clubs) List them.
