

peace, love,
& light

This artwork is from *Building Peace*, a children's book written by Regina Santiago and illustrated by Haiwa Wu. It was produced as part of Room to Read's Peace and Equality Book Collection. This collection brought together diverse writers and illustrators from the United States to create 10 book titles based on themes related to creating a more peaceful and just world. The goal of this book collection is to recognize the work we must continue to do as a society to create social, political, economic and cultural systems grounded in peace and equality.
